# **COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION**

This is probably one of the most important sales that I have ever held containing a specially choice lot of Half Eagles and Three Dollar Gold Pieces also Territorial Gold.

A collection of Cents containing 35 varieties of 1794 Cents. Another collection containing some very choice conditioned United States Coins. Many Commemorative Gold Coins. A quantity of United States Gold Coins. The extremely rare 1794, 1836 on base and below base, 1838, 1839, 1852, 1858 United States Silver Dollars also the very rare 1796 and 1797 United States Half Dollars.

Some very rare United States branch mint coins. Including the Excessively Rare 1870 San Francisco Mint Silver Dollar never offered at auction before. Some Extremely Rare Leshner Referendum Dollars. A magnificent lot of Roman and other ancients. A specially choice lot of Numismatic Books and many other items of interest.

I have no doubt that every line in Numismatics is thoroughly covered in this catalogue.

My mailing list contains over 1000 active collectors. There will be distributed 1200 catalogues. My business has been established 25 years and am ready to sell collections large or small. Terms on application. Send in your bids at once, do not wait. Bids are apt to be overlooked or arrive too late if sent at the last moment.

Be sure to bid on the right lot and read the catalogue carefully when making your bids. Be sure to bid on each lot at so much per piece and not for the lot if there is more than one piece in the lot or will be compelled to refuse all such bids sent. Be sure to put lot numbers down in rotation and take a copy of the bids that you send. In my last sale this caused many errors which of course the customer was compelled to make good. Be sure to sign your order, do this first.

Write down the right number that you intend to bid on and I wish to caution my customers that I will not hold myself accountable for any such errors. Kindly remember that the coins I am selling are the property of others and I have to make an accounting to them.

Will you kindly send your orders in promptly on receipt, your bids will receive better attention and many times a customer can be advised if his bid sheet should happen to contain errors. Thanking you for your attention to this request and a liberal patronage for this sale.

Or otherwise kindly forward in advance remittance of 25% of the amount of your bids. Auction sales are strictly for cash. Your bids are as binding as any contract, so do not bid unless you are sure you can pay for what you bid on. No claims will be allowed unless same are made promptly. The cataloguer has endeavored to describe all coins fairly and to mention any defects.

Coins and medals, &c., are sold at so much per piece. If there are 3 pieces in a lot and you wish to bid \$4.50 for the lot then bid \$1.50 for each &c. A 5 percent charge will be made for packing & shipping on any coins purchased. Send your remittance by money order New York or Boston draft as checks sent by parties unknown to me would have to be verified.

Send in your bids on receipt of catalogue as many bids have to be entered and it is always to the advantage of the bidder to send his bid in at once. In my last sale some bids came in too late and could not be executed.

Do not bid less than the bullion value of silver and gold coins. A silver coin is always worth its bullion value and considerable over this as a rule, and gold coins dollar for dollar. All coins are guaranteed genuine in this sale.

## **A CALIFORNIA CONSIGNMENT**

### **The Property of a Well Known Collector**

The coins offered in this collection are an unusually rare and choice lot, furthermore it is complete in the straight United States Silver Coinage with the exception of the 1851 Silver Dollar, 1823,1827 Quarter Dollar and 1802 Half Dime. In the Branch Mints it is also nearly complete, containing the excessively rare 1870 San Francisco Mint Silver Dollar. I hope my patrons will appreciate the importance of this offering as such an opportunity seldom turns up to acquire some of the pieces herein offered.

### San Francisco Mint, Mint Mark S

- 899 1859 V.good. Rare.  
 900 1870 San Francisco mint Dollar. Obv Fine initials F. H. I. engraved before Liberty,back of Liberty an attempt was made to take the initials off leaving a gouged appearance. Rev Fine to V.fine letter S very clear. The mint record does not show any coinage of this piece. It is claimed there were only seven of these pieces struck. I cannot trace but one and this was sold to a prominent banker at a very large figure. This piece is the rarest of the branch mint coinage and is limited at \$1500. (One Thousand Five Hundred Dollars). In fact as to rarity I do not know of another coin that would equal it. Who is going to be the owner of the prize of the sale?
